2012-2013

Voluntary Pre- Kindergarten (VPK)

Children who are residents of Florida and are 4 years old by September 1 are eligible to participate in the VPK program. Parents must apply at <http://www.vpkflorida.org>. Space is limited and based on availability. The registration forms and required documents must be submitted to St. Matthew Catholic School (SMCS) before class is full to secure a position.

In order to guarantee your child's placement in the class for the 2012-2013 school year, \$200 will be collected at the time of the acceptance of your application. This is **non-refundable** and used for the approximately 570 instruction hours provided by SMCS. The VPK program provides funding for 540 hours per school year. VPK students are provided 3 instructional hours per school day when St. Matthew Catholic School is in session.

Tuition: The VPK program offers 3 instructional hours (7:45-11:00 am) for eligible children, regardless of family income. Tuition paid by the state is contingent on funding legislated and student attendance.

Pre-K Extended day fees are NOT covered by the VPK program. There will be a charge **for all students in the full-time program** based on the hours of 11:00 a.m. to 2:55 p.m. These students may also opt to stay for the school-wide Extended Day Program offered from 2:55 pm to 6:00 pm daily when school is in session for the applicable fees as posted. Families may lose their eligibility to continue in the VPK program if their Extended Day account becomes delinquent.

Families are requested to provide items on the supply list for their child.
